

Dear Parents and Students,

I am extremely excited to introduce myself as the new principal of Ladson Elementary. I'm coming to Ladson from Myrtle Beach where I have been an educator and administrator for 18 years. My experiences include working with children from all backgrounds from preschool to 5th grade both regular education and special education. As both an educator and a parent I believe that every child deserves the very best we, as a school, have to offer and through partnerships between the school, parents, and community every child can meet their fullest potential.

As principal of Ladson Elementary, my goal is to continue to provide a quality education to every child so we can continue on our mission of preparing students who are equipped with the world class skills necessary to be college and career ready such as:

**B**eing a 21st century communicator

**A**ctively solving problems

**R**eading and writing effectively

And

**K**eeping a positive attitude

I look forward to working with you and your child as we em**BARK** on a new journey together this 2018-19 school year.

Principal
